New at Durango Mountain Resort -- the Purgatory Plunge Zipline! This exhilarating, new attraction provides a unique perspective of the awe-inspiring San Juan Mountains as you glide 420 feet at speeds up to 35 mph! The adventure starts at the top of the Purgatory Village Tower, the tallest structure in the Durango area, and stretches over Purgatory Beach. Featuring two parallel lines, race your friends or family members for an exciting thrill ride. The Purgatory Plunge debuted in June and is open year-round, coinciding with resort hours of operation.

Mountain Bike Trails and Rentals

Home of the first World Mountain Bike Championships in 1990, Purgatory has miles of trails for all ability levels, accessible from the base area or via chair lift. Pick up a trail map that details 10 distinct rides for a variety of skills and determine your course for fun and adventure. Experience the natural beauty of the area with mixed spruce and aspen forests, wildlife and grass and wildflower meadows as you traverse the mountainside.

For those who seek more adventurous rides, test your “flow” riding skills on the pump track or time yourself on our mountain bike short track. The Durango Devo Coca-Cola Bike Park is conveniently located in the base area and is a source of great fun for participants and spectators alike.
